

System Requirements for accessing NOA

You have access to our learning platform via internet browser or mobile apps.

The following browsers support the NOA functions:

- MS Edge
- Mozilla Firefox Version 60 Extended Support Release (ESR)
- Google Chrome 73
- MS Internet Explorer 11 (not including compatibility modes)
- Safari 10 auf OS X (learner frontend only)
- Mobile Browser:
 - Android > 4
 - iOS > 9 (learner frontend only)

The following browser settings must be observed:

- The storage of cookies must be permitted, as the IMC Learning Suite uses so-called "session cookies".
- JavaScript must be enabled.
- Pop-up blockers must be deactivated.

Mobile apps require:

- Android: Minimum OS Version: 5.0, Maximum OS Version: 9.0
- iOS: Minimum OS Version: iOS8, Maximum OS Version: iOS12

NETZSCH

Proven Excellence.
