Recertification of AMS OHRIS on October 12, 2020

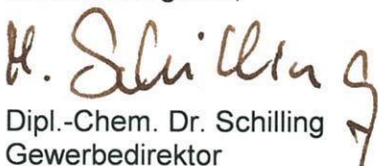

Ladies and Gentlemen:
Dear Mr. Hummel:

Thank you very much for the request concerning recertification of your OHRIS occupational health and safety management system.
Unfortunately, due to the current corona pandemic, it was not possible for us to carry out recertification until the expiry of your certificate on June 22, 2020.
In addition, a cyber attack was committed on your company in July 2020.
Therefore, we suggest the next possible date for recertification for October 12, 2020, starting 09:30 a.m.

The entry of your AMS in the Bavaria-wide OHRIS recognition register will, of course, remain valid until recertification in October.

Should one of your customers have questions regarding certification/recertification of AMS in your company, please do not hesitate to contact me.

With kind regards,

Dipl.-Chem. Dr. Schilling
